On Friday September 24th, 1926 Reported to Mr. Pfeiffer's office gave him a verbal report of my interview with Marie Smith. Also informed to look up Brooklyn records to see if there is any convictions on Jane Gibson in the years of 1895 and 1896.

I again tried to locate Herman Blumanfield of 1579 Broadway. This time I was informed that he has left this address since last year and it is the opinion of the girl who is in the place that he is in Europe at the present time.

As to Frank Wirth, he is still out of town.

I was also in touch with operative with reference to locating Hamborzskey, and it is my belief as well as the operatives from the conversation he had with the daughter that he (Hamborzskey) does not go home nights. In order to follow the lead up with reference that he would be at the Old Faith Mission on Sunday, I instructed operative to cover same on the said date.
